

Business Information: HydrateGlow Skincare

 **Product Name:** HydrateGlow Moisturizing Cream

 **Category:** Skincare / Moisturizers

 **Description:**

HydrateGlow is a lightweight, non-greasy moisturizing cream infused with **hyaluronic acid**, **vitamin E**, and **aloe vera** to provide deep hydration and nourishment for all skin types. It absorbs quickly, leaving the skin feeling soft and refreshed without clogging pores.

 **Key Ingredients & Benefits:**

-  **Hyaluronic Acid** – Deeply hydrates and plumps the skin
-  **Vitamin E** – Protects against environmental damage and improves skin elasticity
-  **Aloe Vera** – Soothes and calms irritated skin

 **Suitable For:**

- ✓ Dry Skin
- ✓ Oily/Combination Skin
- ✓ Sensitive Skin
- ✓ All Skin Types

 **How to Use:**

1. Cleanse your face thoroughly.
2. Apply a small amount of HydrateGlow to your face and neck.
3. Gently massage in circular motions until fully absorbed.
4. Use twice daily (morning and night) for the best results.

 **Safety & Precautions:**

- ✓ Dermatologist Tested
- ✓ Paraben-Free
- ✓ Cruelty-Free
- ⚠️ Avoid direct contact with eyes. If irritation occurs, discontinue use.

 **Price:**

- **50ml** – \$24.99
- **100ml** – \$39.99

 **Shipping & Returns:**

-  Free shipping for orders over \$50
-  30-day return policy
